STATEMENT OF ISSUES TO BE RAISED ON APPEAL

1. Did the Bankruptcy Court err in dismissing Debtor's bankruptcy based on an alleged "Trustee's Report" that does not exist in the record and which was not provided to Debtor?
2. Did the Bankruptcy Court err in dismissing Debtor's bankruptcy based on an unsubstantiated alleged claim that Debtor failed to comply with 11 U.S.C. Sec. 521(e) (2)(A) that was filed one year after completion of Debtor's 341(a) meeting of creditors and ten months after the time limitations in Bankruptcy Rules 4004 and 9006(b)(3) and the "last day to oppose discharge" date of May 15, 2010, set by order of the bankruptcy court had expired?

3. If the alleged "Trustee's Report" actually exists, is it defective, improper and void if it is not verified, i.e., supported by stipulated facts provided by competent witnesses via testimony, affidavits, depositions, or direct oral examination?
4. Did the Bankruptcy Court err by not holding a fact-finding hearing to determine if the Trustee's alleged claim (a claim that is not in the record) was correct?
5. Did the bankruptcy court lack jurisdiction to dismiss Debtor's bankruptcy based on an alleged claim that was raised untimely?
6. Did the Bankruptcy Court err in not discharging Debtor's bankruptcy after the time limitations set forth in Bankruptcy Rules 4004 and 9006(b)(3) and the "last day to oppose discharge" date of May 15, 2010, set by order of the bankruptcy court had expired?
